### Beth and Friends help at WBSD Summer Sizzler

Beth LaBelle, her friends, Dave Talbott and Paul Elsey were joined by Nicole Garland and Andrew Talbott at the Woodhaven-Brownstown School District Summer Sizzler.

Woodhaven Kiwanians operated BINGO for Books and distributed information about the Kiwanis Club of Woodhaven to interested parents. During the event about 250 parents and students played BINGO AND two to three hundred books were given out. A good time was had by everyone attending the Summer Sizzler.

### #BestGolfOutingEver!

Thank you to the leadership provided by the Dynamic Duel of Chris Cassette and Tom Fioritti! With their guidance, we raised \$9,843.76. This is well over our budget of \$6,063.00.

We had 120 golfers come spend the day at our Outing. Golfers were generous to the Club. Both Team Woolford and Team MacDonnel donated winnings back to the Club. Woodhaven Kiwanians were very involved. They golfed, helped at the outing, sold hole sponsors, made baskets for the silent auction. Mary Evans and Ann Moody donated a dessert from the MI Cookie Project.

### Please welcome our Newest Member Brenden!

Club growth is the future of individual Kiwanis Clubs and Kiwanis as an International Organization.

Thanks goes to Christian Ledford for taking the time to invite Brenden Hoy to join our Club. Brenden lives in Brownstown and is a student at U of M Dearborn. His membership will enrich our Club.

### Installation Dinner

President-Elect (Designate) Beth LaBelle is working with Party Planner Rosemary Robbins to have an outstanding installation dinner this year. Save the date! It will be Wednesday, October 4th at the Woodhaven Community Center. All Woodhaven Kiwanians should plan on coming. It is our opportunity to say Thank you to Barb McCoy and give our support to Darrel Penix and his team of officers.

### Congratulations Chief Rob!
